Skills

Languages HTML, CSS, JavaScript, Python, Java, Processing, LaTeX
Tools React, Node.js, Express.js, MongoDB, Git, SciKit, NumPy, Pandas, Seaborn, BootStrap

Projects

- December 2018 **Personal Website**, *HTML, CSS, JavaScript, Node.js, Express.js, MongoDB*.
Created a personal website to showcase my talents, research, and test my knowledge
- Built an entire website from scratch using HTML, CSS, JavaScript while using jQuery and BootStrap for speed and efficiency
 - Enabled servers using Node.js and its various modules such as Express.js
 - Managed data input and storage using mongoose and body-parser to store data in MongoDB to then store on mLabs
 - Used Heroku to host website and then connected to domain on Namecheap
 - Used Git to push to Heroku and Github

Experience

- 2017-2018 **Student Trustee**, *Durham Catholic District School Board, Durham Region*.
Elected representative for the entire school board:
- Represented 21 500 students on a provincial level as well as at the board table to develop policy that shape the future of the board and Ontario
 - Presented status reports and year end reports in front of the board of Trustees, Superintendents and the Director of Education
 - Efficiently lead student senate composed of student leaders from all the high schools in our board to run various board wide initiatives such as a faith walk, igniting leadership in youth, and generate funds for WE as a board
- Summer 2018 **Executive Assistant**, *Political Campaign, Whitby*.
Assisted candidate which lead to a successful election campaign:
- Canvased door to door with candidate and explained the platform in a persuasive manner
 - Worked with over 100 000 lines of excel data to garner important trends in the information
 - Assisted candidate with any tasks that were required such as social media managing, lawn sign organization, literature drop outs and more
- 2016 **Lead Generator**, *Weedman / Clarity Air, Whitby*.
Worked at two companies generating leads door to door:
- Went door to door to generate potential sales
 - Conversed with multitude of people with diverse backgrounds to generate leads
 - Maintained a calm, composed and positive attitude despite many rejections

Awards

- Spring 2018 **Oratorical Contest Scholarship**, *Optimist International*.
Won a scholarship for writing and delivering speech about where the roots of my optimism lie and won at the club, zone and district levels
- Fall 2017 **Celebrating Youth Award**, *Town of Whitby*.
Received an award that is given to students who have contributed to making the Town of Whitby a better place for all through a dedication to a multitude of extra-curriculars

Education

- Fall 2018- Present **Bachelor of Applied Science**, *University of Waterloo*.
Honours Management Engineering
